40-60

OUTDOOR SHOW:

VENUE: 7x7 m, very flat and hard surface (no cobblestones or grass). Very quiet and ideally protected from the wind. Very nice if there is some nice background. Parking for a van in vicinity of the venue.

PREPARATION TIME: 4 hours before the show, 30 minutes after the show

SOUND: we use our own battery powered sound system

GARDEROBE: safe garderobe for 2 persons with toilets and possibility to charge battery sound system (220V)

LIGHT: in daytime no lights needed. In nighttime some general white lighting is needed from 4 sides of the venue

Travel & subsistence: 2 persons travelling with van from Belgrade, Serbia and back.

2 single rooms, from the night before the show to the night after the show

2 meals per day for 2 persons. No food restrictions

SPECIAL EFFECTS: we do not use any special effects in the show. Besides a small humanoid robot
